

What to expect at the ISEK Virtual Congress

Login page

On the day of the congress you will login to ISEK 2020 through the isek.org website, entering your username (your email address) and password (the password you chose when you registered for the Congress). If you have forgotten your password, simply click the forgot my password link to re-set.

Please note: this is not a mobile friendly platform and is best experienced on a larger screen, rather than a handheld device.

Attendee Profile

You may edit your profile in the Privacy Center located in the Help Center.

In the section Social Profile, you feel free to add your Twitter, Facebook and other social media links so that attendees to contact you directly via social media.

In the Help Center, you may also contact the technical desk for any technical assistance that you might need.

The screenshot shows the PODIUM website interface. The top navigation bar includes links for Conference Lobby, Exhibition Hall, Chat Lounge, Sessions Lobby, On Demand Video, and Help Center (circled in red). The main content area is titled 'Privacy Center' and contains the following sections:

- Edit Profile** (highlighted with an orange box): Edit your name, company, address and other contact information.
- Profile Usage**: See information about sessions you've attended, booths you've visited and chats you've participated in.
- Social Profile** (highlighted with an orange box): Edit your social profile links.
- Delete Profile**: Remove your account and personally identifiable information. You'll also be logged out of and removed from the event. Please contact your show organizers for any further assistance or questions you may have.

Below these sections is a link for 'Your Privacy Policy and Terms of Use' with the note '(Accepted on registration)'. A red text box on the right side of the Privacy Center section reads: 'To edit your profile, click Help Center and then Privacy Center'. At the bottom of the page, it says 'Powered by vConferenceOnline'.

Main conference lobby

Once you have logged in, you will first enter the virtual lobby, as seen on the right. From this lobby you will click on the various circular icons to access the different spaces within the virtual platform. These spaces include the Session Lobby, where you will enter the various session 'rooms', as well as the Exhibit and Poster Hall, where you can view the posters and exhibitors.

You may also navigate to the different areas via the navigation menu located at the top of the screen. Clicking the ISEK logo located in the left upper corner will take you to the ISEK website.

Sessions lobby

The sessions lobby provides an overview of the congress meeting 'rooms', where you can review what's currently scheduled versus what's coming up later. The dates and times will adapt automatically to appear in your time zone location.

There are up to 3 tracks during the Congress.

Once you have determined which track/room you want to participate in, you will enter the room by clicking on the blue 'enter room/track now' button at the bottom of the track panel.

The screenshot displays the 'Sessions Lobby' interface for the International Society of Electrophysiology and Kinesiology. The page features a navigation bar with links to 'Conference Lobby', 'Exhibition Hall', 'Chat Lounge', 'Sessions Lobby', 'On Demand Video', and 'Help Center'. The main content area is titled 'Sessions Lobby (View the Full Schedule)' and includes a note: 'All times are adjusted to your local time zone.' Below this, three track panels are visible, each with a blue 'Enter Room/Track Now' button at the bottom.

Inside a session track

Once in the session, you will then see a screen, where video presentation is played. Below the screen, you can see the text box for the live Q&A.

To ask a question, simply enter it into the text box provided. The question will be linked to your name and all questions and answers will be seen by all attendees in the 'room'.

If you wish to private chat with an attendee, click on the 'Who's Here?' button to view a list of attendees in the room – then click on the bubble icon beside the name of the person you wish to private chat with. Make sure you are in private chat mode.

The screenshot shows a virtual congress interface. At the top, it says "Conference Room Mode" and "Keynote 1 Cendrine De Vis". The main area displays a slide titled "ISEK Virtual Congress" with the dates "July 12 -14, 2020" and "Slide 1". A blue PiP icon is visible on the slide. Below the slide is a chat box with a header "Text Chat ~ Attendees here now: 1 (including you)" and buttons for "Who's Here?" and "Pop Out Chat". The chat box contains four messages from Cendrine De Vis, Iris Elias, and Lauren Moline. At the bottom, there is a text input field "Enter your message below" and a "Chat Updater: Auto (click to change)" button.

Exhibit and poster hall

Much like an onsite conference, the poster and exhibit hall are accessed through the same space – simply click on the respective green icons to view the posters or exhibitors.

Viewing a poster

You may search any poster via the search box in the upper right corner of the screen. Posters are searchable by poster number, authors, and keywords.

In the poster hall, posters will be listed by poster number. Click on the poster number icon to enter the poster booth.

Inside a poster booth

After clicking a poster number icon, you will be taken to the individual poster booth which will look like:

The screenshot shows a web interface for a poster booth. At the top, there is a navigation bar with links: Conference Lobby, Exhibition Hall, Chat Lounge, Sessions Lobby, On Demand Video, and Help Center. The main content area is divided into two columns. The left column features a large black silhouette of a person, a red 'Welcome' button, and a red 'Additional Information' button. The right column contains text fields for: Poster Number: P3-A-2, Poster Title: Title for Poster, Poster Author list, Poster Affiliation list, Poster Presenter: First name Last name, Poster Keyword: Motor Units, and Abstract: abstract text. A red arrow points from the 'Additional Information' button to a chat window on the right. The chat window has a blue header 'Name of poster presenter' with an 'X Close' button. Below the header is a 'Who's Here?' section with text: 'This chat box will appear when the poster presenter is online and ready to live chat', 'If you wish to private chat, click on the 'Who's here?' button', and 'If the presenter is offline, the text box will not be accessible, but you can email the poster presenter directly'. At the bottom of the chat window is a text input field with the placeholder 'Enter your message below', a blue 'Send' button, and the text 'Public Chat'. At the bottom of the page, there is a footer with the 'ConferenceOnline' logo and links for 'Privacy policy, cookies and account settings'.

The welcome button displays the main poster information

The Additional Information button is optional information provided by the poster provider. It will include additional items such as 3-minute video summarising the poster research, a PDF of the poster and/or supplemental documents in support of the submission. This section will include any further contact information.

Visiting an exhibitor

ISEK is pleased to be supported by four exhibitors, all of whom will be available to chat with by text, via email and some through Zoom face to face meetings. Once you choose the Exhibitor Lobby, you will have the choice of which booth to visit. Simply click the logo of the exhibitor you would like to meet with, or learn more about, to enter their virtual booth.

Once you've entered the exhibit booth, you will be able to review their products, learn more about their company, view videos, and more!

Chat functions are available when the exhibitor representative is in their booth or via email if they have enabled this feature.
